

RESOLUTION IN SUPPORT OF WIDENING THE BICYCLE-PEDESTRIAN PATHS ON THE GEORGE WASHINGTON BRIDGE

The New Jersey Chapter of the Sierra Club endorses the “Complete George” coalition effort calling on the Port Authority of NY & NJ to widen the bicycle-pedestrian paths on the George Washington Bridge to comply with national standards (AASHTO) as part of its ongoing \$1.9 billion re-cabling project.

Adopted by the NJ Chapter Executive Committee, November 17, 2018
